

ANNOUNCING

THE G-TEAMSM

A service of

AdvantageCareTM
Rehabilitation Inc.

Our **G-TEAMSM** "Special Forces" therapists will come to your facility to perform targeted group therapy sessions that will maximize the therapy you provide to Med A patients and optimize your facility's billings. This new group therapy service will help to offset the elimination of concurrent billing practices, which goes into effect on 10/01/2010. **G-TEAM** sessions can be scheduled at anytime throughout the week, especially on weekends.

G-TEAM MISSION:

Enhance individual therapy plans with group therapy sessions to provide facilities with a time- and cost-effective mix of seven-day therapy coverage.

G-TEAM TARGET:

Comply with new rules eliminating concurrent billing practices without notably increasing staff or costs.

G-TEAM MOTTO:

"We love it when a group comes together!"

G-TEAM PLAN OF ATTACK:

Lead 2-4 patients with similar therapy needs and objectives through our group therapy sessions.

G-TEAM VICTORY:

Achieve optimal therapy results for patients and optimal reimbursements for facilities.
